eyelid
can end...
wherever...
often longer
on right side

leaves a shadow for
the future highlight

- only the topmost center highlight exists until the end
- he will add white paint over it
- same in sketch
- order:

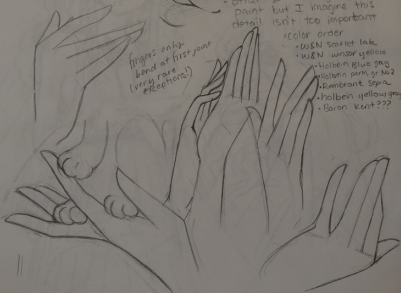

1. horizontal lines
2. vertical
3. X
4. horizontal dots
5. lower dots
3. highlights on lash line
7. even more tiny dots

- using Nicker gouache in permanent white (jar)
- may be discontinued
- other source says poster paint but I imagine this detail isn't too important

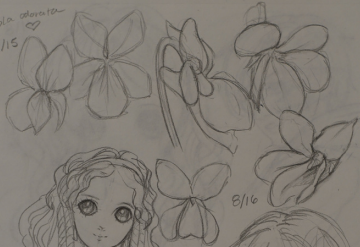

fingers only
bend at first joint
(very rare exceptions!)

color order

- W&N scarlet lake
- W&N Winsor yellow
- Holbein blue gray
- Holbein perm. gr No 2
- Rembrandt Sepa
- Holbein yellow gray
- Baron Kent???
